

To Whom It May Concern,

I am writing to let you know of the direct impact KLOVE 90.7FM has in my community. KLOVE has had and hope continues to have a positive, uplifting and blessingful influence on my family, friends and peers. KLOVE provides motivational and a stress-relieving avenue for all people in every walk of life, especially needed in these times of threats from terrorism, war, and even the day to day hustle.

Thank you for providing an opportunity to speak/rather write to you (FCC) as a proponent for KLOVE 90.7FM. Feel free to contact me if you have any questions.
